Thank You's

My "Thank You's" go out first to my husband who understands that it is not easy to write, knowing full well souls are at stake.

To our ministry of Victorious Vision Ministries INTL. for standing faithful as we watch what God will do.

Apostle Patrick Kirk and Kingdom Encouragers INTL for the love, support, and writing of these pages.

All scripture is given from the King James Version of the Holy Bible.

Now let us get on with this and listen as the Lord speaks.

Introduction

Certainly this is a time like never before as evil is growing and the hearts of many wax colder. The trials and uprisings increase, and it seems as though there is no where or no one to turn too. This is a subject, not a topic many people want to address. However it is one that is very important to understand the rejection of a savior(Jesus Christ), and embracing a lifetime of sin. The Lord will return and time is urgent. We have tended to drift away. All the while allowing ourselves to become encased in a shroud of disbelief, fear, and doubt. We've even taken the grace of salvation for granted.

Many times we fall into the trap of controversial doctrines, a fear of being rejected. Along with lifestyles of comfortably and familiarity.

Here again as in my other book, I am able to be used as conduit to expose the darkness of evil. To shed some light on the outer darkness. Also God willing, bring many to the understanding that there is a heaven to be gained and a hell to be shunned.

It is not my intent to bring in fear, although a healthy amount of fear is good.

"Rather we should fear the one that can take both body and soul."
-Matthew 10:28 "And fear not them which kill the body, but are not able to kill the soul, but rather fear him which is able to destroy both soul and body in hell."
-Ecclesiastes 12:13

Let us hear the conclusion of the whole matter. Fear God and keep his commandments for this is the whole duty of man.

This then begins my journey into hell. A little different this time, but with the same message of repentance and salvation. While there is still time, the Father as with myself, it is not the desire to see anyone perish. Know full well, that **YOU THE PERSON** decide where you will spend eternity. I am going to pause here with some scripture before moving on.

Scripture

"And ye shall know the truth, and the truth shall make you free." -John 8:32

"For all that is in the world, the lust of the flesh, and the lust of the eye, and the pride of life, is not of the Father, but is of the world." -1 John 2:16

"For if after they have escaped the pollution's of the world through the knowledge of the Lord and Savior Jesus Christ, they are again entangled therein, and overcome, the latter end is worse with them than the beginning." -2 Peter 2:20

"For it had been better for them not to have known the way of righteousness, than after they have known it, to turn from the holy commandment delivered unto them." -2 Peter 2:21

"For if we sin willfully after that we have received the knowledge of truth, there remaineth no more sacrifice for sins." -Hebrews 10:26

There are also other scripture verses in Hebrews 6:4-6, Romans 14:20, 1 Peter 4:17. Please read and study these Scriptures for yourself.

Chapter 1 **ARISE!!!** **Taken on October 8, 2014**

It was during the nighttime that I found myself awake and floating upward. As I looked down, I saw the bed where I had been laying. I saw my husband sleeping, and then a flash of light appeared out of the corner of my eye. There stood a big, beautiful angel. He motioned for me to follow him. For those of you wondering how it was that I could see so well in the night, it was because of the brilliant light that surrounded this angel. I had many questions. He motioned for me to follow him and at that point we went up, out and traveled quite a ways.

Scripture

"And it shall come to pass afterward, that I will pour out my spirit upon all flesh; and your sons and your daughters shall prophesy, your old men shall dream dreams, your young men shall see visions: And also upon the servants and upon the handmaids in those days will I pour out my spirit." -Joel 2:28-29

Chapter 2

THINGS TO UNDERSTAND

As we continued, I asked "Where are we going?" (I thought maybe to Heaven or perhaps, something I would see that I could share.)

The angel didn't say much, but at that moment we stopped and began going down.

I was getting a little afraid and I asked again, "Where are we going?"

The angel replied, "The Lord wishes me to take you once more into the depths of the earth." Which is Hell.

"Why?" I replied.

The angel said that there was more the Lord wanted me to see and learn. This way although many may not believe, they cannot stand on judgment day and say "opportunities were not given in order for them to repent."

With that, we continued to descend.

Scripture

"For it increaseth, thour huntest me as a fierce lion, and again thou showest me as a fierce lion: and again thou showest thyself marvelous upon me." -Job 10:16 (Here God is compared as a lion that goes after its prey.)

"And fear not them which kill the body but are not able to kill the soul, but rather fear Him which is able to destroy both soul and body in hell." -Matthew 10:28 (Meaning, don't worry about your body. Be in a reverent fear of the Lord who still has authority over heaven and hell. Not Satan.)

Chapter 3

Entering Hell A Second Time

As we entered into a portal the closer we got. The further down we went, the hotter it became and that familiar rank odor of sulfur came right up into my nose.

Please note: It is through Jesus Christ that our weaknesses are made perfect in Him. So although I was with an angel, still I could feel fear grip me the closer we got. The angel reminded me saying, "I am still here and you must not fear. For time is short and there are many things to see."

As we descended, I heard many screams of terror and horrific laughter. Then I found myself looking over at a face that cried out and screamed. That soul realized I was standing there looking at her. She said, "Why are you here?" I replied, "I am not here, but so others will not come here." Then in an angry voice she said, "If people knew this would happen... why didn't they warn us?" I don't have any words to describe the pain I felt for this person. The angel said, "We must move on."

Scripture

"When I say unto the wicked, thou shalt surely die, and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to save his life; the same wicked man shall die in his iniquity, but his blood will I require at thine hand." -Ezekiel 3:18

"Yet if thou warn the wicked, and he turn not from his wickedness, nor from his wicked way, he shall die, in his iniquity, but thou hast delivered thy soul." -Ezekiel 3:19

"Again, when a righteous man doth turn from his righteousness, and commit iniquity, and I lay a stumbling block before him, he shall die, because thou hast not given him a warning, he shall die in his sin, and his righteousness which he has done shall not be remembered, but his blood will I require at thine hand." -Ezekiel 3:20

Chapter 4

Apostles

We left yet to another place in hell. Hell is very large. As I could see, there really is no end. The angel stopped where there seemed to be much activity. I was told this is the belly of hell. I saw people (plural) and they were

preaching, but no one was listening. They were talking about raising up the church. They spoke with such eloquent words. While at the same time behind closed doors, their lifestyles did not reflect the call on their lives. Instead there was a worldly pride that allowed Satan to overtake them. They put on the extra titles that God had never given them, chief and so on. By doing this they gave in to lust, pride and filthy lucre. It was no more about Jesus, but a show and a display about themselves. Although they proclaimed Jesus as Lord, their hearts were far from Him. This caused many people to stumble, even though they thought everything was alright.

Note- This is looking at this as if everything is fine and we are okay.

Note- We need to understand that the role of an apostle is sent from God, and is not an easy or profitable life. The apostle put the needs of others before his own. The apostle as well with the other four offices, disciples and pours everything God has given them into the people.

Scripture

"For such are false apostles, deceitful workers, transforming themselves into the apostles of Christ." -2 Corinthians 11:13

"And no marvel, for satan himself is transformed into an angel of light." -2 Corinthians 11:14

You can also study on false leaders in Corinthians 11:1-15

Paul's sufferings as an apostle you can find in Corinthians 11:16-33.

A call to apostleship is not all blessings and glamour (neither is it with any of the callings). It should be rather a call to your heart from the Father's heart, to do His will and to keep the covenant relationship with God pure.

Chapter 5

The Torment Goes On and On

The angel told me that the reason I am here a second time is to clearly write down all that is given to me about hell and outer darkness, that it is **REAL**. God is not mocked.

As we moved on, we took a different path and I saw many people here. They were crying out "give me another chance. I promise to do better. I thought I was saying the right thing. I thought it was from you. Please help me, help me someone."

Some of these souls were prophets and evangelists. Each section held so many of these souls. Many had a genuine call from God. Others just wanted attention, even money as they charged for great prophecies.

Note- They are in hell because you can not sell prophecies like fortune-telling or make up words to give someone who asks.

Much like the world today. Many want a word, or they are waiting on a word from the Lord. Yet the word of God tells us that we have the word inside of us. The Holy Spirit helps our infirmaries and our understanding.

Many turned their call around causing people to look to them and not to God... A drifting away.....

Scripture

"And I will give them "ONE" heart, And I will put a "NEW" spirit within you, and I will take the stony heart out of their flesh, and will give them an heart of flesh" - Ezekiel 11:19

"That they may walk in my statutes, and keep mine ordinances, and do them: and they shall be my people, and I will be there God." -Ezekiel 11:20

"But as for them whose heart walketh after the heart of their detestable things and their abominations, I will recompense their way upon their own heads, saith the Lord God." -Ezekiel 11:21

"Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out in the world." -1 John 4:1

There were many souls, all were in torment. Laughter would echo throughout. The smell kept getting worse, for the stench is of sin.

Chapter 6

TORMENT IS CONTINUED

Evangelists

Evangelists are no different than Prophets in that they become so encased in the world. Instead many had fallen away because they wanted the fame, and the glory all to themselves. These souls were shouting and bragging about how many souls were saved because of there lavish words. Their lifestyles reflected how they lived on earth and they were so encrossed in

themselves that when the enemy crept in and took advantage, they weren't even aware.

They perish here because of the serving flesh and mammon, leading others to hell. I saw them playing out their role titles in hell, just as they did on earth. Always tormented, especially their mouths because out of their mouths came blasphemies, their arrogance in their love of self, their self doctrines. They were puffed up with pride and I heard a hideous laugh echo. And the voice said "you see, you stupid Christians, you don't serve God, you served yourselves and I made sure that I told you what to say and now you're are condemned here forever." Followed by more laughter. I knew the voice was satan, and the angel said, "You see how easy it is to be deceived?" It only takes one thought, one word to turn the truth into a lie. Satan has always been a deceiver and the father of lies. He knows nothing else. But it is not just people in church leadership. It is many of people that profess that they believe in God, but do not fear or take Him seriously. They base their knowing of God on what denomination they belong too or what church they are in, never fully understanding it is about a personal relationship with Him. So many times people use what they hear from someone else and while head knowledge is fine, it is the heart that God looks at. God is **NOT** in man made buildings. The church which is us, temple is where God dwells, you can neither hold Him in a box or a building. Man's buildings can be swept away or torn down, but the real temple cannot. It is important that people understand this.

At about the time when I thought there was more to be seen with these souls, the angel said "We must move on." Just that moment we turned down another way. I heard groans and moans. Smelled the terrible odor of sulfur. Then, "Help, help, let me out of here."

Scripture

"For men shall be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, unholy." -2 Timothy 3:2

"Without natural affections, truce-breakers, false accusers, incontinent, fierce despisers of those that are good." -2 Timothy 3:3

"Having a form of godliness but denying the power thereof." -2 Timothy 3:5

"Ever learning, and never able to come to the knowledge of the truth." -2 Timothy 3:7

Note- Please hear me when I say this: You cannot, you cannot enter the Kingdom of heaven with sin. It will not be possible. The time for repentance is now. Turn away from sin **NOW**. God is not a respecter of persons, but He loves us and continues to woo us back to Him. His heart is to bring reconciliation to all, back to Him, through His Son, Jesus Christ and the purchase that He paid on the Cross. There should never be any kind of sin or anyone that will separate us from the Father. Unfortunately our flesh is weak, but our spirit is willing and so

we give into the flesh more.

Scripture

"Let not sin, therefore reign in your mortal body, that we should obey it in the lusts thereof." - Romans 6:12

Chapter 7

Pastors & Teachers

Then we continued to move and took a turn more sharply to the right. During all this time, there had not been much said. As we continued, it was very dark, but there was enough light coming from the angel that we walked on ahead. Moans, crying, screaming continued and the smell grew even stronger. The heat intensified and I saw bodies on fire. Fire that would cause them to scream in terror. Some when they noticed us yelled obscenities, and tried to put there hand out to grab me. I flinched back, the angel said, "Do not be afraid, the Lord is with you." And at that point, you would hear laughter. It seemed like we had been walking for quite a while, then suddenly we stopped and the angel pointed. Over to my left were so many people screaming in terror, crying, yelling out. Their voices were mingled with grief and begged for the Lord to help them.

I looked and looked. One person tried to come forward. A man, and I asked him "why are you here?" Here is his story. He had a big ministry. He believed the Lord wanted him to have a big church. So in order to accomplish those things he would preach to his congregation only the things he knew the

people would like to hear. He agreed with them so they would feel comfortable and tell others about his church. "No condemnation here", he would say. "God loves us and we mustn't preach or teach on those negative things. Just spread the word about this church, come as you are and just tell God you love him and want him to make you better." This pastor would tell them that if it would help in their walk finding God, they could work in his church, cause that was where God was anyway. Well in the end people poured in their money because the atmosphere was nice, and the message made them feel nice. It was a place to come when you needed a change. But because there was no true salvation, no repentance of sin and the full council was not taught, it caused many to falsely believe they were OK. Because of this pastor's popularity when he died, at his funeral many people prayed and were happy believing his soul was at rest in heaven. Except in reality today, he spends eternity in hell tormented.

I heard a woman whimpering and crying. Worms and snakes would go in and out of her body. I looked at the angel and then back to her and finally I said "Why are you here?" She replied. "I was a teacher in a church and had a

Sunday school class. I taught from the bible, although I didn't really in my heart believe what I was teaching. But it was a job. All my life I truly never believed everything in the bible. I did all the outward things a christian should do, but I never really believed. I am here now and I know the truth, but its too late."

Scripture

"unloving, unforgiving, slanderers, without self-control, brutal, despisers of good, 4 traitors, headstrong, haughty, lovers of pleasure rather than lovers of God, 5 having a form of godliness but denying its power. And from such people turn away! 7 always learning and never able to come to the knowledge of the truth. 9 but they will progress no further, for their folly will be manifest to all, as theirs also was. 10 But you have carefully followed my doctrine, manner of life, purpose, faith, longsuffering, love, perseverance" -2 Timothy 3:3,4,5,7,9,10

"Many pastors have destroyed my vineyard, they have trodden my portion under foot, they have made my pleasant portion a desolate wilderness."

-Jeremiah 12:10

"Woe be unto the pastors that destroy and scatter the sheep of my pasture! saith the Lord." -Jeremiah 23:1

Chapter 8

Mockers & Scoffers

At this point I heard horrible, horrible laughter. Then screaming, it was torment.

There was a dark tunnel way that was very dark. I started to move toward that way, but the angel put out his hand to stop me. I looked questioningly?

He said that is where mockers and scoffers go. Those are put to another side of hell, and it is worse that what you have seen. And firmly , he said "We are not going to go there." We kept moving with only the sounds of terror, screams, heat, and intense sulfur. The atmosphere is always filled with hate, fear, no love and most of all no hope.

Scripture

"How that they told you there should be mockers in the last time, who should walk after their own ungodly lusts." -Jude 1:18

"Knowing this first, that there shall come in the last days scoffers, walking after their own lusts." -2 Peter 3:3

Chapter 9

Idolaters

The angel continued walking. I stayed very close. My senses were extremely keen and sharp.

I looked and said "Who are these people?"

The angel looked away and then said, "Idolaters."

They never worshiped God truly, never wanted to get too close to God. Instead, there god was big name football players, teams, and the internet. So in hell, demons bring back replays of how it was on earth, idolizing even their pastors and some of leaders in the church. As we continued I heard the horrific screams, people were reaching at us to get us but could not. We continued walking.

Scripture

"Little children, keep yourselves from idols. Amen." -1 John 5:21

"Idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies." -Galatians 5:20

Chapter 10

Scriptures / Notes To Study By

Understanding God and what He stands for. Sinless, Holy, Righteous, and Judge. Let us balance a few key points.

God is love, pure and simple. He offers:

"For God so loved the world he gave **His Only** begotten son, **whosoever** believeth in him should not perish, but have everlasting life." -John 3:16

"For God sent **not** His Son into the world to condemn the world, but that the world through Him might be **saved**." -John 3:17

This is Love-

"Jesus answered and said unto Him, If a man love me, he will keep my words, and my Father will love him and we will come unto him and make our abode with him." -John 14:23

"Beloved let us love one another for love is of God and everyone that **loveth** is born of God, and knoweth God." -1 John 4:7

"And **He** (God) said, I will make all my Goodness pass before thee, and I will proclaim the name of the Lord before thee, and will be gracious to whom I

will be gracious, and **will show** mercy on whom **I will** show mercy." -

Exodus 33:19

"Blessed be the God and Father of our Lord Jesus Christ, which according to **His abundant mercy** has begotten us again unto a lively hope by thy resurrection of Jesus Christ from the dead." -1 Peter 1:3

This is Hope-

"Be of good **courage**, and He shall strengthen your heart, all ye that hope in the Lord." -Psalm 31:24

"Wherefore, **gird** up the loins of your mind, be **sober**, and **hope** to the end for the **grace** that is to be brought unto you at **revelation** of **Jesus Christ**." -1 Peter 1:13

This is Repentance-

"For godly **sorrow** worketh **repentance** to **salvation**, not to be repented of; but the sorrow of the world worketh death." -2 Corinthians 7:10

"Or **despise**st thou the riches of his **goodness** and **forbearance**, and **long suffering**; not knowing that the **goodness of God** leadeth thee to repentance." -Romans 2:4

Judge or Judgment-

"And thinkest thou this, O man that judgest him which do such things and doest the same, that thou shalt **escape the judgement of God**." -Romans 2:3

"Who will **render** to **every man** according to his deeds." -Romans 2:6

POINTS OF REFLECTION

God is love, full of grace and mercy, but God has another side, many reject, falsely, thinking God will not judge. **I emphasize** this, **please read-**

"And the times of this **ignorance** God winked at, but now **commandeth all men everywhere to repent**." -Acts 17:30

I encourage you all to read the before and after scriptures to get a better understanding of the scriptures within these pages.

Please do not put off making your self right standing with God. It is not worth it, as you can read in these pages "to gain the world and lose your soul."

Again, do not put off tomorrow what you can do today. Otherwise like many, you may find yourself too late.

Chapter 11 **The Rabbi (Jew)**

I want to say at this point that I have not centered so much on the actual place of hell, the smells, screams, fire and cells. This is because I expounded on this in the first book and on the audio CDS.

I sensed I was to focus more on listening as to why more people fall into hell, and what caused them to be there.

We continued walking. It seemed different than the last time. I asked the angel about this and he said, "You are in a totally different part of hell. There are many portals and gateways to hell. Your world has opened up many of them, and are not even aware." At that moment I heard this groan and a loud gasp. "O Lord help me. I didn't know. I will go back if you will let me, and tell all the Jews that you are the Messiah. Please have mercy. Don't leave me like this." At this point I really wondered what happened to him. He saw us and began talking almost immediately, amid loud gasps and agony. He said, "I had been taught all my life to obey the ten commandments and keep the law. I believed Messiah, Jesus you call Him. He had not come yet, but I was wrong. So wrong and now I am here. I'm stuck here. I hate it here, there's no relief. It's so hot and I have an unquenchable thirst. I need water. Please tell them, Messiah (Jesus) is real and it is not enough to just try and keep the law. Tell them, please. I beg you, so they don't end up like me. It's toooooo late and then he was eaten up in the fire and worms.

The angel said, "Many fall into the trap of not believing, and that good works will accomplish all you need."

Scripture

"Behold, I will make them of the synagogue of satan, which say they are Jews, and are not, but do lie, behold I will make them to come and worship before thy feet, and to know that I have loved thee." -Revelation 3:9

Jesus saith unto him "I am the way, the truth and the life, no man cometh unto the Father but by me." -John 14:6

"Doubtless thou art our father, through Abraham, be ignorant of us, and Israel acknowledge us not, O Lord art our Father, our Redeemer, thy name is from everlasting." -Isaiah 63:16

Chapter 12

The Phone Rings

A MISSED CALL

As we moved further on, I noticed a person that had flames shooting in and out of them. I saw demons singing and laughing, echoing "The phone ran, you missed your call. The phone rang, you missed your call, and now it's too late."

This person was old. But as a young man, he was called into ministry. He was always busy in worldly things. Never seemed really interested in Godly

things. He did have opportunities. The Lord used his parents, even some friends that didn't know the Lord. They told him that he seemed to be different, like he had somewhere to get to. But he never seemed to have time and eventually forgot about it. All in all he failed to answer the call and it led to disobedience. He fell into a very unhealthy lifestyle and now here in hell, he will remember it forever.

Scripture

"Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it." -Matthew 7:14

"So the last shall be first, and the first last, for many be called, but few chosen." -Matthew 20:16

"But many that are first shall be last, and the last shall be first." -Matthew 19:30

"For many are called, but few are chosen." -Matthew 22:14

Note- This is extremely important in God's eyes. To be called, chosen, and set apart is very special. To deny or ignore it is to push God away, and it is out right disobedience. This is why we are to give God our first fruits. Not get so busy in this life that is temporary, fall away, and choose it over God. Your sin follows you into hell for eternity, and there is no excuse or second chance.

If you have a calling or sense you do, and do not understand it, pray first for understanding. Then go to someone and talk with them. Pray together in agreement. God will never turn anyone away who has a heart to pursue the calling God gives them.

God will be the one to open the door and your will have peace about it.

Mentors and Spiritual leaders- If God puts you in a position to help someone, make sure you are hearing from the Holy Spirit and that you have done what you are to do.

In essence, a call from God is a covenant, or a promise. God takes this very seriously. "Again you have heard that it was said to those of old time, Thou shalt not fore swear thyself, but shalt perform unto the Lord thine oaths." Matthew 5:33 "But let your communication be; Yea, yea, Nay, nay, for whatsoever is more than these cometh of evil." -Matthew 5:37

Please remember God holds us accountable.

I was told to expound on this due to the seriousness of callings.

Chapter 13

Repent, False Teaching

This is Sin

We continued moving. With every step there was heat, the stench of sin and, hate for God was everywhere. Despair, regret, and plain hatred fill the air. The sounds are so horrible. They mingle into what sounds like an echo. Then I saw over in a corner, something so ugly. Just so defiant and hateful. Screaming vile hatred toward God. Spewing out such vile words. As I stood there, she finally became aware that someone was watching. She became more enraged.

She said, "What do you want?" I continued looking. It was frightening, but I heard the voice behind me say "She can't hurt you. **Listen!!!**"

"I can never get out of here. I didn't use to believe that the God everyone was talking about, the **loving** God would send anyone to hell. Now, I don't care if I am here. I **hate** your God." She used such vile language. In between her screams and the vile torcher inflicted, she told me a little more. When the screams died down and before they could start up again, I quickly asked her to tell me why she ended up there.

"I was born poor. We never had enough to eat and when we went to the market, it was never enough. We all had so little. We were very backwards here and we didn't have very much education, nor much travel. No one ever came our way because we were so far in, you couldn't see our village. But one day a big group of people came. They called themselves missionaries, they came from U.S. They say they want to help us. They brought us food and clothes. We happy to see them. They told us about their God, how he wanted people to prosper. All we had to do was say a little prayer, and we would be okay. So I did that."

At that point I said, "Then if you did that, why are you here?"

She said that no one ever told her to repent, confess daily to the Lord, and keep a self check with him. "I didn't prosper like they told me I would. Later we heard they were just trying to take advantage of us because we were poor and dumb, but I ended up hating their God and those that called themselves Christian's. That's why I'm here."

I was so grieved because there was nothing more to say. The angel

beckoned me on.

Please note, this person died in her sin. It is, I don't know how to describe it other than to say, christian' taking advantage, putting a stumbling block into a "New" believers life.

It's easy to say "I'm saved, I'm okay" and then not to disciple. Look how many souls there may be lost???

PREACH, TEACH, DISCIPLE the **FULL** counsel of God. No more,
No less.

Scripture

"This their way is their folly: yet their way is their posterity approve their sayings. Selah." -Psalm 49:13

"He shall call to the heavens from above, and to the earth, that He may judge His people." -Psalm 50:4

Chapter 14

PREPARATION TO BE READY

WHATEVER THE COST

It seemed we were in another area and I heard someone crying. We came upon a young girl. She had dancing flames around her, and in and out of her. Worms were crawling in and out of her as well. She was a young teenager. She was dancing through the air and screaming: "I want out of here. I will be good. I'll go to church."

Like young people today she never really went to church, although she knew of Jesus. She had went to some things. Events and such, but she never gave her heart to the Lord. No salvation and no repentance.

She enjoyed going to worldly movies and parties. She went with her boyfriend. She was always thought of as a pretty nice girl who liked being on the go. Her life was snuffed out in an accident and she did not have time to get right with God.

Scripture

For he saith, "I have heard thee in a time accepted, and in the day of salvation have I succoured (helped), behold now is the accepted time, behold now is the day of salvation." -2 Corinthians 6:2

"For godly sorrow worketh repentance to salvation, not to be repented of, but the sorrow of the world worketh death." -2 Corinthians 7:10

Chapter 15

Demons Have Assignments

I was led over into another area where a portal or gateway was open and I saw little demons going out with assignments. They torment the peoples minds, by putting evil thoughts. There by seducing them to act upon the thought and leading them (people) to sin.

I watched and listened as plots were made to go out and cause harm to God's people. Especially those that were a threat to God's kingdom.

Principalities give their orders to the smaller demons, hence, demonic activity is on going.

Satan has his throne in hell, I saw a big high chair with gems and a crown laid on this chair.

There are many paths (compartments) to hell.

Hell opens wide it's mouth to accommodate many souls.

In another opening, I watched many souls fall in. Their screaming will I long remember. And most of all, the heat and hideous laughter as a person descends.

The angel told me that more of God's people need to pray, and use their warfare against the attacks of the enemy. Souls fall into hell because of many sins.

Scripture

"These six things doth the **Lord hate**; yea, seven are an abomination unto Him." -Proverbs 6:16

You can read further into scripture, but you get my point: Sins come in clusters, there is always a group of more than one sin. Such as unforgiveness brings with it, bitterness, anger, rejection, hurt, and pain. Just to name a few, and this is how

satan and his minions work.

Remember there is provided a way of escape. You don't have to end up here, if you choose God's way.

"There hath no temptation taken you but such as is common to man, but God is faithful, who will not you to be tempted above that ye are able, but will with the temptation also make a way to escape, that ye may be able to bear it." -1 Corinthians 10:13

Chapter 16

NO MORE TIME

As we continued walking the angel told me that the Lord gives everyone chances. But some like this soul didn't use time wisely, and her time ran out.

This girl was very young, she partied almost all the time. Hung out with her friends. Dated a boy from school, which was forbidden by her parents. Her parents made her attend church and go to christian youth events, but nothing ever entered her mind to have a relationship with the Lord. She was a nice person, pretty and active in school. When ever her friends wanted to do things and hangout, she was almost always right there. She had one christian friend that would invite her to a bible studies. But she had only went a handful of times. Her thinking was she would maybe do that later, she was young, and she had plenty of time.

But one Friday night, her, the boyfriend and a couple girl friends decided to go cruising. She was spending the night at a friend's house so her parents wouldn't know what they were doing, and her friend's parents would be asleep.

So the girls snuck out, met her boyfriend and left. They decided just to go out in the country where traffic was limited. They had liquor in the car, something she didn't know was part of their plans. No one had mentioned it, but apparently everyone else knew. The boyfriend had already been drinking. So he was pretty much weaving on the road when he decided to speed things up. As he began to pick up speed the car started rocking back and forth across the road and as the car came around a sharp curve it went off the side. They hit a huge tree, killing all of them instantly. She next found herself coming through like a tunnel and she was scared. She realized this was it. Her young life was snuffed out, plus she was in hell. She knew that the worst part was the regret. She wished she had listened to her parents and her one best christian friend that tried to warn her.

Her regret and tears were almost too much for me and I asked the angel to just take me out of here. But the angel said "It is so important for you to listen and see what the Lord wants to show you, so others are warned."

Note- The regret was so horrible to be replayed over and over again by demons, as this is how they use this kind of pain to inflict on someone.

Please read the story of Lazarus in Luke 16:19-31

At this point, my heart is grieved. My spirit is troubled and I cry for those lost eternally.

Scripture

"And I saw the dead, **small** and **great**, stand before God, and the books were opened: and another book was opened, which is the book of life: and the dead were judged out of those things which were written in the books, according to their works." -Revelation 20:12

Chapter 17 **The Demons Dance In Hell**

We began to move into a loud airway. It seemed like a lot of hot air coming forth, and it was kinda foggy. It was a little hard to see ahead. I heard a lot of noise and cackling, then we stopped and I looked at the angel and the angel pointed. There was an area and it must have been dozens, and dozens and I couldn't even begin to count them. They were screaming, obscenities came out of there mouths. They would gyrate and jump and wiggle in provocative ways.

I was stunned. I saw souls hanging there. The demons would dance right through them with fire and then come back through them. It looked like they were cut in two. These souls would scream in agony and I said to the angel, "What is this all about? Who are these people?" I was told they were a group of young people, who when they were on earth would dance and shake some provocatively, some not. The demons would haunt there minds, so they would dance this way. They would jump around, scream, and yell. These demons thrived on it.

Scripture

And it came to pass, as soon as he came nigh unto the camp, that he saw the calf, and the dancing: Moses anger waxed hot, and he cast the tablets out of his hands, and brake them beneath the mount. -Exodus 32:19

"As arrows are in the hand of a mighty man, so are children of the youth"
-Psalms 127:4

And he said to them, "Pay attention to what you hear: with the measure you use, it will be measured to you, and still more will be added to you." -Mark 4:24

"I appeal to you therefore, brothers, by the mercies of God, to present your bodies as a living sacrifice, holy and acceptable to God, which is your spiritual worship." - Romans 12:1

Chapter 18 **Ungodly Living**

The angel didn't say anything but it seemed we were moving faster. I just wanted to leave, I had had enough.

The angel spoke and said, "It is almost time for you to go back."

At that moment screams that were so terrifying sounded all around. "**Help! Help!!**" As I looked to see what was going on I noticed a big, I mean big pot of fiery sulfur and souls were being thrown in. I asked, "Who were these people?" The angel said, "These were those that lived ungodly. I mean ungodly like money laundering, gang raping, senseless murders, and racketeering. All are an abomination to God."

Scripture

"These six (things) doth the Lord hate" yea, seven are an abomination unto him." -Proverbs 6:16-19

"Divers weights, and divers measures, both of them are alike, abomination to the Lord." -Proverbs 20:10

The measuring of abomination is this; loathsome, hateful, sinful, wicked or vile.

Chapter 19

Time To Go Back

My senses, all of them, are always so keen with spiritual encounters.

The angel said, "You have heard and seen all the things the Lord wanted you to, now if you are ready I will take you back." You better believe I was ready. I stayed close to the angel and was glad to get out of there. I was thinking I would be returning back home. When all of a sudden up we went, up, up, up. And following such a bright light, and then we were there. As I looked around, the angel said: "The Lord wants to talk to you before you go back. Wait here."

Chapter 20

A Talk and A Warning **From the Lord (Jesus)**

It seemed like I was there a long time. I stood and watched angels coming and going. They were busy, and I know they had many assignments to keep them busy. But I noticed more activity than usual, from when I had been there before. Everyone sang and just the joy that radiated out of them, you could tell they loved what they were doing for the Lord. A complete difference from where I just came from. The throne room is a beautiful place. Alive, beautiful, and peaceful.

Then an angel (a different one this time), pointed to a doorway and escorted me in. There He was. On a beautiful throne, looking so regal and so perfect. The throne was overlaid with so many jewels, rubies and sapphires. The brocade in the throne was like a pure white ivory. I can't even describe it. His robe was white with hues of blues, purples and greens. The crown on His head flickered. It was made like pure glass, you could almost see yourself.

He smiled at that moment and said "My daughter, come up." and He put His hand out. By that time, I had fallen in front of Him crying so hard, and saying "My Lord, My God" I couldn't even see for my tears, but He got up, lifted me up, hugged me, and in a whisper said, "Well done, daughter." I sat in a chair a little ways over so I was across from Him. He said, "I know your pain, and tears and hurt when people have rejected you, and the assignment that you carry. Oh yes I know very well all of the pain and hurt and false accusations, but you didn't give up. You stayed the course, and for that you will be rewarded." I said "Thank you

Lord", I want to do Your will. Nothing else matters." Then as I looked up I saw His face become grave and serious.

"You know that much of the earth (nations) have forsaken Me, and turned a deaf ear when I have called them back to repentance. The one nation that I had blessed, I cannot bless. My hand is gone, the protection is no longer there. Go back and tell the people that a decree from heaven has went out and that judgment is set, not to be stopped, reversed or delayed. Saith I the Lord, a mandate has went out to **America** and **ALL nations** in the world."

"Lord, shall I tell people what the judgments are, should they ask?" Saith the Lord- "Only tell them, judgments will be of horrific proportion. Nothing they have ever seen. All has been warned many times in my Holy Word."

"Yes Lord, I shall tell them, but they may not believe me??" Saith the Lord- "So be it, It will happen whether they believe it or not, it is not up to anyone when the judgments come or how. My justice will be delivered."

"Yes Lord, Thank You Lord." Saith the Lord- "Please tell the people to pray that they are worthy and are sure of there salvation. Pray like you have never prayed before. Abide in Me and I will abide in you, anything less is dung."

There was silence for a while and then I said, "Is there anything else Lord??" The Lord looked at me and then smiled and said, "Let Me show you this one thing." And I followed Him into what appeared to be a huge banquet room. The table was set and there were many places. Angels were going back and forth, they were getting ready for a big celebration. I turned to the Lord and said, "It's so beautiful!" I saw so much food preparation, and the tables were overflowing with fruits, cheeses and flowers. Oh wow, it was gorgeous. I can't even begin to describe everything. It was quiet all of a sudden and the Lord wasn't standing next to me anymore, but more behind me. As I looked, He raised His hand and said in a solemn voice- "Tell my people, **time is so short**. I am here now, I am here waiting to call my bride home for the celebration. Tell my people to prepare their spiritual life, make sure there is no spot or wrinkle. **I AM COMING SOON**. Make yourself ready for your bridegroom."

21

In the next instance He was gone. As I was leaving the room to go back ,a deep voice (In my spirit came this is THE FATHER 's voice.....) said "I give you a charge to warn the people, and if they do not believe and repent, then tell them the rocks will fall on them..... Otherwise, if you do not warn, the blood will lay on your hands..... I ask this day , "Whom gave the people the authority to change My church as it stands today????????? I am not contained in walls, but the hearts of the people..... I do NOT compete with man-made churches or agendas. Nor boards, nor your times, nor your ways, nor your calendar, but rather I am bringing My church back as I established it at Pentecost..... As I will..... As I will..... Arise and come back to your first love..... The candle sticks will be removed other wise, and WOE be to you....."

And all of a sudden, I was connecting back into my body. I can't even begin to tell you the time, but it doesn't matter. It doesn't seem like a long time, and I have given you the most important message.

Chapter 21

My Thoughts on This

To be quite honest, I never thought I would ever be used in this way. But this is what God chose to do, and I answered the call. The price may be heavy, but in the end it is so so worth it.

After I was back, it took me days to get my thoughts together. After all, it is better to wait on the Lord for His time anyway.

I didn't really think I would be as shaken up as I was, since I had been taken there before. I couldn't shake this. I know I wept for a good while, and after a while I just had to shake my self out of it to move on.

I can say this, in hell, there is **NO LOVE, NO FORGIVENESS, NO ANYTHING**. You just replay your life over and over, there is **NO HOPE**. Hell goes on and on. Much screaming, torments and hideous screams echo all the time. Demons torment. Yes it is eternal punishment, but a person's torment goes on and on.

People, please examine yourselves and confess daily. Do some deliverance, learn and keep your warfare armor on. Demons and Principalities are very devious and cunning, sometimes you cannot even know it when they are there.

People, it's time to belt up with the Truth. Don't give into the flesh. Don't ask God to bless you, then when He does, thank Him then go back out in sin.

People, the good news is Jesus is coming back soon. I want to shout it from the rooftops. Get yourselves ready bride. He's coming!!! Will you be ready??

Oh, one more thing. The Lord sends no one to hell. That's a lie from the pit of hell. Truth of the matter is, you make your choice.

HEAVEN< _____ >HELL

God loves us all very much, and He has never wanted anyone to go there, but the choice is yours. They have an old saying, "Play now, pay later." Yes, all will give an account to an Almighty God as He judges the world. The books will be open. A Reckoning day is coming. Please don't put off your salvation. Or getting right with the Lord tomorrow, when you can do it today. Tomorrow may be too late.

May God bless you and keep you in His safety.
